

Business Recovery Support Packages

Applications close
20 August 2021

The Department of Small Business Development is calling on all small enterprises and informal traders whose businesses were looted or vandalised during the July 2021 unrest to apply for the Business Recovery Support Packages

Business Recovery Programme

Uninsured small enterprises impacted by the unrest

Small enterprises which require funding for working capital, equipment, and furniture

Small enterprises with existing funding from other lenders are also considered

Informal Traders Support Programme

Support for informal traders through business associations

Provision of financial and non-financial support

The informal traders should be willing to participate in business development services offered by the Small Enterprise Development Agency

Visit any of our Seda branches to assist with filling of the required documents and obtaining of statutory compliance documents. Details of branches available on our websites.

Visit our websites for application forms and funding criteria:
dsbd.gov.za; seda.org.za; sefa.org.za.

Applications for small enterprises should be submitted to
BRP@sefa.org.za

Applications for informal traders support should be submitted via business associations to
